A DELICATE MISSION.

I was not of September 1 was asked by THE WORLD if I could have my portrait painted by one of the artists at the Temporary Asylum for the Insane in New York, with a view to writing a plain and unvarnished narrative of the treatment of the patients therein and the methods of management.

Could I assume the character of insanity to such a degree that I could be admitted to the asylum there for a week without the suspicion being cast upon me? I said I would, and I did.
